

MBI Health Services, LLC.'s

DDS Division

The *Department On Disability Services* is a Federal Agency That Has Certified MBI To Provide Support For You and Your Friends.

In-Home Support: MBI provides personal and domestic care services for the BLIND, AGED, or DISABLED within your home. But if you don't want to stay home, social activities such as dancing, basketball games, concerts, and bowling are just **SOME** of the options you have for getting back out there!

Residential Services: MBI holds several types of residential support:

Host-Home

Respite Services

Supported Living Services

Host-Home Services: Families can rest at ease knowing that their loved one is in the comfort of a Care Giver's home, where care is given around the clock.
